Harris's "cultural materialism" ought not be confused with Raymond Williams's use of that phrase. For a Marxist critique of demographic determinism, see Wally Seccombe, "Marxism and Demography," *New Left Review*, no. 137 (January-February 1983), 22-47.
 42. For Marxist discussions of the original metaphor, see Raymond Williams, "Base and Superstructure in Marxist Cultural Theory," in his *Problems in Materialism and Culture* (London: NLB, 1980), and Stuart Hall, "Rethinking the Base/Superstructure Metaphor," in Jon Bloomfield, ed., *Class, Hegemony, and Party* (London: Lawrence and Wishart, 1976).
