  - Topics:
    - **IV therapy**
    - **Infusion**
    - **Transfusion**
  - Complete **study texts** before: **11/04/2021 16:00**
  - Finish **test** successfully *(result at least 80%)* before: **11/04/2021 16:00**
  - Register for skills **training** session before: **11/04/2021 16:00**
  - Attend booked skills training session
  - Upload **PowerPoint Presentation** *(if skills training session is missed or average score less than 80%)* before: **02/05/2021 16:00**

- **Lesson 5**
  - Topics:
    - **Urinary Collection**
    - **Bowel Care**
    - **Body Hygiene**
  - Complete **study texts** before: **25/04/2021 16:00**
  - Finish **test** successfully *(result at least 80%)* before: **25/04/2021 16:00**
  - Register for skills **training** session before: **25/04/2021 16:00**
  - Attend booked skills training session
  - Upload **PowerPoint Presentation** *(if skills training session is missed or average score less than 80%)* before: **16/05/2021 16:00**

- **Lesson 6**
  - Topics:
    - **Ostomy Care**
    - **Oxygen Therapy**
    - **Tracheostomy**
    - **Nutrition Support**
  - Complete **study texts** before: **9/05/2021 16:00**
  - Finish **test** successfully *(result at least 80%)* before: **9/05/2021 16:00**
  - Register for skills **training** session before: **9/05/2021 16:00**
  - Attend booked skills training session
  - Upload **PowerPoint Presentation** *(if skills training session is missed or average score less than 80%)* before: **30/05/2021 16:00**

- **Final Lesson**
  - Finish **test** successfully *(result at least 80%)* before: **23/05/2021 16:00**
  - Register for skills **training** session before: **23/05/2021 16:00**
  - Attend booked skills training session
